

Directions to Four Seasons Ballroom Docks, #17 & #18

From Downtown (14th street): Going east on 14th, after California Street is passed on the left hand side, an immediate right into the CCC “South Shuttle Drop Off” needs to be made. This road will follow the building along the Welton side. There will be an upward ramp in front, leading to the upper docks. Please stop at guard booth at base of ramp and speak to dock master or hit red button to speak with CCC Security. Please know your company name, event that you are delivering for’s name, and let them know you are heading to dock #17 or #18 for a Four Seasons ballroom event.

From 1-25/Colfax: Head east on Colfax. When you pass Speer, get into the far left turn lane and make a left turn on to Welton Drive. An immediate left turn will need to be made at approximately 12th and Welton at the driveway into the facility. There will be an upward ramp to your left, leading to the upper docks. Please stop at guard booth at base of ramp and speak to dock master or hit red button to speak with CCC Security. Please know your company name, event that you are delivering for’s name, and let them know you are heading to dock #17 or #18 for a Four Seasons ballroom event.

Walking From Docks #17/#18: Walk along docks towards #19. On the left, there will a roll-up door with an access door to the left. Of the other side of this roll-up door, there is a freight elevator “G” and a service elevator “F”. Please choose the elevator most appropriate for the delivery and take it to “LL” (lower level, docks are located on “UL”, upper level). After exiting the elevator, turn around the corner to the left and head down the long hallway to the right. A freight door leads directly into Four Seasons Ballroom 4. In addition, a double door to the left leads into Four Seasons Prefunction space.
